All camp leaders must be registered members of the Boy Scouts of America. **National BSA policy requires two-deep adult leadership.** A minimum of two adults must be in camp. At least one leader must be 21 years of age; others may be 18 or older. A Scout to adult ratio of 10 to 1 per schedule group is required at day camp.

**Refunds:** Refund request forms must be turned in **before the last day a pack is at camp. Refunds are processed at the close of the camping season.** Refunds are available only in case of hardships, e.g. summer school, injury, illness or custody problems and will be sent out after camp ends for the year.

**Health History:** A completed Part A and C of the Annual Health and Medical Record form (**MUST** have all blanks completed), signed by a parent is due with final payment of fees. **EVERY PERSON** in camp must turn in this health history form including adults and tag-a-longs. Your unit camper insurance covers your Scout while at camp.

**Workerships:** Partial Workerships are available for Scouts needing assistance with camp fees. Maximum Workership award is 50% of the early bird camp fee. The remainder of the fee needs to be paid before filing for Workership. An age appropriate project must be completed to earn the award. Application must be filed by April 16th.
