

Middle Division Message from Carolyn Lausch, week of September 1, 2008

Greetings to Parents,

The Middle Division faculty and I look forward to seeing all of you at Back to School Night, Thursday, September 4, 5:30-7:15 PM. We will begin right on time by gathering in Trinity Church for introductions. At 5:55 you will be dismissed to go upstairs into the Middle Division to follow your child's schedule. I will meet with 6th grade parents during the evening to check in to see how the year is going for your students.

On the table outside of my office there are three stacks of materials available for those students whose parents want them to register for, practice, and take the SAT. Please help yourself.

Student Government Association officers this year are CJ Harrington, president; Alexandra Lombardo, vice president; Drew Morrison, secretary; and Lance Howard, treasurer. Soon we will announce the names of the representatives; one is elected from each Advisory. SGA meets two times a month on Thursday during lunch.

Rod Smith is facilitating the Advisory program. It meets each Friday afternoon, period 10. The faculty and he have new ideas to implement this year. Also, we are organizing clubs and academic activities, both of which will be announced during this week. You will be pleased at some of the academic enrichment opportunities.

The athletic program has really stepped up with practices and competitions in soccer, cross country, tennis, and soccer. I look forward to seeing many of you at the games.

We look forward to your presence on Thursday. Schedules will be given you according to your child's homeroom teacher.

Regards,
Carolyn Lausch
