

M CARD ORDER FORM

M Cards are grocery gift cards which are good for their face value at Marsh, O'Malia's and Lo-Bill grocery stores. As a fundraiser, these stores permit us to purchase the cards at a small discount to sell to you for face value. We raise \$5 per \$100 in grocery cards sold. These funds raised support the St. Richard's French Back to Back Program. In that program, our St. Richard's 5th grade hosts visiting French students for two weeks this winter, and 5th grade classmates from St. Richard's visit their homes in late spring.

If you regularly shop at any of these stores, we hope you'll give our 5th grade fundraiser a try. Your purchase results in a gift card of the same value that you can run through the store card reader just as you would a credit or debit card. You may request denominations of \$20, \$50, \$100, or higher denominations of your choice. You will receive a telephone alert when your card is ready at the front desk for pickup, along with a new order form for future M Card orders. Thank you for supporting the 5th grade and the French Back to Back Program at St. Richard's School.
