

## **School Year 2008-2009**

### **French Supply List**

French 2nd - 5th grade material list:

The children will be using a folder to keep their “cahier d’activités” (workbook) and the few flyers I will give them throughout the year (songs, stories, cultural notes, etc.)

#### **SUPPLY LIST:**

- 1 mechanical pencil (and extra led)
- 1 large pink eraser
- A few lined paper sheets (to be kept in the folder)
- 1 sturdy pocket or portfolio folder with lock (rubber band or rubber band and button), NO NEED TO BE HUGE as it will only hold a workbook, a mechanical pencil, an eraser, and a few lined paper sheets

#### **IN ADDITION:**

I would like to ask each family to donate items for our classroom prize basket. Games and activities are a big part of our language method and prizes and surprises are a great way to motivate our students to do their best and excel in classroom participation and communication. Because we have so many “winners” supplements to the prize basket are much needed and sincerely appreciated.

Since our school policy discourages candy rewards (for good reasons) I’d like to ask for other items for our reward system. Some ideas include:

- French themed items including school supplies such as pencils, erasers, and stamps.
- Fun items that students can take home to play with (toys).
- Gift cards for kid-friendly places like Dairy Queen, MacDonald’s or Ritter’s, and frequently visited places like Wal-Mart, Target or Borders where kids can chose their own prizes.
- Other small items that a student in grades 2nd through 5th might enjoy receiving as a reward for a job well done.

You could find all of those items at Office Depot, Target or Staples.

Merci beaucoup!

Monsieur André
